

## ***DIVA Diabetics***

### **A Mentoring/Support Group for Women 18-30 years of age with Type 1 Diabetes Launches In February 2008!!**

Become a part of a group who wants to help you achieve your career, educational, interpersonal goals with the minimum of distress.

Group facilitators have Type 1 Diabetes themselves and are living examples of having achieved vocational, career, family goals and are willing to help the participants to do the same.

Group will meet initially at St. Louis Bread Company, (10740 Sunset Hills Plaza, St. Louis, Mo. 63127, 314-966-1070), Sunday, February 24, 2008 at 4 pm!

Come and investigate if you want to participate, form new relationships, and pursue your future with some assistance from others who have done it. We have a variety of persons who are different ages, different backgrounds and talents, but all are interested in working with you to achieve your future goals more easily.

Contact Joan McGinnis, RN,MSN,CDE 314-962-2833 for more information
